DX NEWS by 

CY9C St Paul DXpedition

Additional operators have been added to the DXpedition team and assigned to the Northeast Point site. This brings the total number of operators to 11. Joining the team are the following:

WW2DX, Lee who will include 2 Meter EME, Satellite, and 6 meters to the DXpedition operation. RTTY from this site will be provided by N2IEN, Pat and W2RE, Ray will be adding to the SSB operation This completes the staffing for 11 operators total. Northeast Site with 5 operators assigned and Atlantic Cove 6 operators.

All pre-DXpedition donors that work us will receive a QSL automatically without any request required. Just a small way for us to say "thank you". PayPal or Credit Card process is available via

<http://www.cy9dxpedition.com/> We will be using Clublog and logs will be uploaded in real time and available for viewing.

Canceled

V6, MICRONESIA Sho JA7HMZ and JA7EPO will be operating as V63DX and V63IM between June 10 and June 18. Operation from 80 to 6 meter using PSK and JT65. QSL via home call, direct and LoTW. QSL via JA7HMZ.

National Mills Weekend 2016

During the weekend May 14 and May 15 is the annual 'National Mills Weekend' in Great Britain, with a lot of Mill activations on the air from the UK but also with other countries like Belgium and The Netherlands.

K, USA June 10 and June 11, the Virginia Special Olympics Summer Games take place at more than 3 Venues across Richmond Virginia. While dozens of amateurs descend to provide coverage across the greater Richmond area, we wanted to provide an opportunity for the Athletes to experience Amateur Radio and to spread our hobby to those who normally see us, but don't get to experience the event via radio.

This year multiple GOTA stations where amateurs will act as the legal operator, assist visitors and athletes to make contacts. QSL cards to commemorate this event will be offered to those who send a QSL card to the event. We will in turn log the athletes and send your QSL card to them directly to further fuel their possible interest in Amateur Radio. Further updates including times and frequencies will be published directly to our website at:

<http://RVAHams.com/K4VSO> The Special Call Sign for this event will be **K4O**.
