Perilous state of Amateur Radio in Algeria

3C and 3C0 Equatorial Guinea and Annobon

Update by Tom KC0W

I'm in Equatorial Guinea until January 27th trying to obtain licensing for the 3C and 3C0 DXpeditions. (Equatorial Guinea & Annobon). I arrived here on the 17th & immediately started meeting with the licensing authorities. Quicker progress would be made if I "downsized" these proposed 60+ day DXpeditions to a shorter period of time. I hope to have some good news soon but this is probably pretty optimistic thinking.
